PROFESSIONAL SUMMARY

I am an enthusiastic and self-motivated final-year Computer Science student with practical experience in both technical and creative domains. Completed internships in Python (Intermediate level), Python & Django and Digital Marketing. Certified in MS Office, with strong skills in Word, Excel, and PowerPoint for documentation and presentations. Passionate about continuous learning, especially in emerging technologies like AI and cybersecurity. A quick learner and effective communicator, dedicated to performing well in interviews and contributing meaningfully to professional teams.

SKILLS

Soft Skills:

- Communication
